Completion

Dear Mr. Sharpe:

Reference is made to your letter of notification dated November 25, 2002 concerning the above captioned crossing project.

Regarding the proposed crossing widening work, this is to advise that the crossing surface work on NS's track was completed in October 2002. Our C&S Department will further advise regarding the crossing signal improvements.

Should you have any questions concerning this project, please contact me at 404/527-2536.

Sincerely,

T. M. Bracey
